SEASONABLE CLOTHING

That is now sought by good dressers consists of Blue Serge Suits. Coat and pants of same material make an elegant outing suit. Add a white or figured vest to coat and pants and you are dressed to the line of a full dress suit. A double-breasted figured worsted coat and pants to match is proper and comfort giving. Gray serges and worsted effects are as popular as ever. We are daily receiving "and selling" a lot of these outfits and wherever worn are much admired. Have you seen our "New Panamas?" None like them here. Elsewhere sold 50 per cent. higher than we sell them. Come in and try one on.

The closing exercises of Miss Gordon's Training School will be unusually attractive this year. Maysville's sweet and gifted singer, Miss Florence Pearce Wadsworth, together with a delightful Male Quartette from Cincinnati, will furnish a musical program such as is rarely heard out of the large cities. Exercises on June 7th begin at 8 o'clock. Tickets 25 cents. Box sheet open Tuesday morning.

A very beautiful recital was given by Mr. T. Neal Hubbard, assisted by Misses Elizabeth Barbour, Sallie M. Hall and Catherine Schroeder, in the reception-room of Hayswood Seminary last evening. Mr. Hubbard displayed unusual clarity of technique and evenness of time in his rendition of the different numbers. Miss Elizabeth Barbour played a group of Chopin numbers, a Barcarolle by Rubinstein and a Schubert-Leschetizky Minuet in her usual happy vein and musical style. Miss Catharina Schroeder possesses a beautiful high soprano of unusual true quality, and sang well. A beautiful number and exquisitely rendered was the G Minor Concerto by Mendelssohn, played by Misses Elizabeth Barbour and Sallie Milton Hall. A select audience was in attendance and gave rapt attention throughout.

NEBRASKA is the first to have a state law prohibiting outdoor sports—races or games of any sort—on Memorial Day; and Wednesday the law was rigidly observed. It should be the law in every state.

THE average Ohio Democrat is a hopeless proposition. A lot of fellows over near Marion have nominated BILLY BRYAN for President in 1908. It was General TAYLOR in the Mexican War who said, "These damned volunteers never know when they are whipped."

For the benefit of a hatfull of pinheaded nincompoops, some of whom "fit in de wall" with their mouths only, and others who probably drove a mule team for the Regimental Sutler, THE LEDGER prints this from the Memorial Address of President ROOSEVELT, delivered at Portsmouth, Va., on Wednesday last—

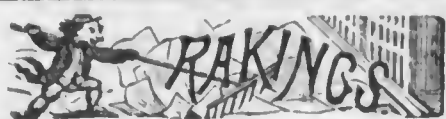

"Moreover, the men to whose valor we owe it that the Union was preserved have left us a country reunited in fact as well as in name. They have left us the memory of the great deeds and the self-devotion alike of the men who wore the Blue and of the men who wore the Gray in the contest where brother fought brother with equal courage, with equal sincerity of conviction, with equal fidelity to a high ideal, as it was given to each to see that ideal. * * * We cannot too highly honor the memory of the leaders in the Civil War—of GRANT and LEE, of SHERMAN and JOHNSTON, of STONEWALL JACKSON and SHERIDAN, of FARRAGUT and of the Captains who fought under and against him."

The safe of the Standard Oil Company was dynamited at Dayton, O., and \$16 stolen. An advance in the price of oil will be announced as soon as your Uncle JOHN hears of it.

THERE's nothing small about Chicago—excepting the shoes that some of her young ladies try to wear. They have a school over there where young women are taught economical housekeeping and cooking; and several have just been given diplomas certifying that they are qualified to keep house for husbands who receive as much as \$10 per week.

The economical graduates offered theses in the way of exhibits of breakfasts, luncheons and dinners that were attractive, had cost little and were palatable. Each dish bore a card indicating its cost. A breakfast was shown that was prepared at an expense of 19 cents and would suffice for four persons. Dinners ranged somewhat more expensive, one consisting of meat, two vegetables, a salad and a pudding for four, being rated at 40 cents.

As this bunch of beauties is already tagged for early marriage, expectant husbands will have to wait for another grist.

NO AIRS FOR HER.

Many Wellingtonians remember Fred Demuth, who worked at the Postoffice at that place a good many years ago, says The Kansas City Journal. He is now running a store in Memphis, and Fred Garland called on him a few days ago. While Fred was in the store a colored woman and her boy dropped in and made a small purchase. The boy works on the railroad and appeared to be 18 or 20 years old. When they were starting to leave the store the boy said—

"Mammy, ain't you going to buy a plate?"

"No, chile; don't you go t' gittin' proud. We kin eat outen the skillet a while yet."

INTEREST IN THE WHOLE FAMILY—In selecting our stock we stopped only when a most exacting taste was satisfied in styles and fabric, while the garments here and there are strengthened and fashioned by the tailor's needle where machinery has not yet caught the cunning of the hand. Neither time nor pains were spared in selecting, and in selling we will act the same. WE WILL FIT YOU—the child, the youth, the man, from infancy to old age, in a style becoming to each and in a manner pleasing to mother, sister or wife. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:

"I first procured Doan's Kidney Pills in 1899 at J. Jas. Wood & Son's Drugstore, and they stopped an attack of backache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciated the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

The flower thieves are abroad in West End yards these nights. In the lawn surrounding one residence not only are the flowers nightly taken but the bushes and beds are subjected to wanton destruction.

Thursday evening during the rain and electrical storm lightning struck a wire fence on Mr. W. E. Wells's place near Moransburg and killed a fine Jersey cow and a thoroughbred mare, which happened to be caught in the electrical circuit. When found both animals were lying with their heads next the wire fence.

Beautiful Beechwood.

The Ashland Independent says—
"At 8:30 the vanderbilt show started and continued for an hour. There are three numbers on the bill, and each one is most excellent. The bill was well received and tumultuously applauded.
"The first number was a black-face sketch by Mackin and Wilson, interspersed with songs with banjo accompaniment. This was a screamingly funny act and made an instantaneous hit.
"One of the very finest novelty acts and wing dancers ever at Clydeside is Clarence Burton. He was compelled to respond to an encore, and his eccentric dancing has made good from the start.
"A refined sketch, 'Home, Sweet Home; or, Ain't It Just Lovely?' was presented by Cliff Dean and Company, with a topical comic song by Mr. Dean as a starter. The number was an excellent one, and the sarcasm banished back and forth by 'hubby' and 'wifey' kept the big audience in a constant roar.
And this is the show at Beautiful Beechwood for next week. It is a good one. Go out and see for yourself. Beechwood is a good place to go any way or any time."

SOCIAL EVENTS

Yesterday afternoon Westbound manifest No. 99, due here at 1 o'clock, while opposite the Coal Docks a coaisar of 100,000 capacity broke an arch bar and the trucks left the rails. The track was obstructed for about five hours. No one was hurt and no particular damage was done. It is either too much or not enough. For the time being we have had rain a plenty.

Deputy County Clerk F. M. Lindsay came near being washed out completely at his home in East Second street Thursday evening. The sewer connecting with the house was not large enough to carry off the immense flow, and the water backed up and covered his first floor with several inches, doing considerable damage to carpets and furniture.

Latest News

The marriage of King Alfonso of Spain to Princess Ena of Battenberg was attended with tragedy at Madrid. On returning from the Church a bomb was thrown at the royal carriage. Their majesties were untouched, but their carriage was wrecked, twenty persons were killed and sixty wounded, including General Weyler and several other dignitaries. Thirty arrests have been made. A jeweled decoration worn by King Alfonso was shattered by a splinter of the bomb. Queen Victoria is irreconcilable, declaring that she is responsible for so many persons being killed.

In the Louisville Police Court yesterday Judge McCann handed down a written opinion holding that Section 1303 of the Kentucky Statutes, forbidding the sale of intoxicating liquors on Sunday, was unconstitutional, but that Section 1321 providing for the general observance of the Sabbath day had been held to be constitutional by the Court of Appeals, and the Court was bound by that decision. Judge McCann, therefore, dismissed all the warrants against the saloonkeepers arrested last Sunday. He holds that if the prosecution wants to proceed against the saloons it can be done under Section 1321. The Court holds that under Section 1321 it is unlawful to print or sell newspapers on Sunday, to work in a printing office on Sunday, to sell cigars, tobacco, groceries or anything else except absolute necessities.

The Blood is the Life

The essential to health, beauty of form and appearance and the well-being of the individual. Impure, impoverished, vitiated or depraved blood will not permit or sustain a healthy condition of the body. By the judicious and persistent use of

MCDONALD'S COMPOUND EXTRACT OF SASSAPARILLA

the indications of impure blood disappear, the dull eye becomes radiant, the step elastic, the pallor of the complexion replaced by glowing, rosy cheeks, the languor and tired feelings of the individual vanish, the mental and physical vigor returns and all danger of a premature death is averted. The Sixtieth Annual Conclave of the Grand Commandery of the Kentucky Knights Templar Will Be Held in This City in the Month of May, 1907.

To those Knights Templar and other friends who desire this meeting to surpass that of any other that has ever been held in the history of the organization let me say a few words with reference to homes:

Some of you are living in rented property, others are living in homes which are not adequate for the purpose of entertaining in the style which you contemplate in order to make a fair comparison with the entertainment which was furnished at Paris, Ky. My suggestion is that you go to work at once, select the home you wish, provided you are not the owner of one at the present time. If you own a home that will not be in keeping with the class of entertaining which you hope to do on that occasion, allow me to sell your property for you and furnish you something more elegant. These suggestions may seem a little out of place at this early period, but you will see the wisdom of them later on.

Yours very truly,

John Duley,
